Welcome

TO THE 30TH ANNUAL

TRANSFORM OUR WORLD GLOBAL CONFERENCE!

For the past 30 years we have seen the hand of God on this conference, touching our lives and empowering us to carry on transformation in our cities and nations. This year is going to be the best ever because of what our Lord has been doing in all spheres of society in the face of the worldwide reset triggered by Covid-19.

Traditional church gatherings have been put on hold during this pandemic and people have been confined to sheltering at home. As sad as that is, this has become an open door for “church” to happen 24/7 all over the city because church—the Ekklesia of the Lord—is not a building; it is people. The foundational truth that the Ekklesia begins in the home and happens wherever two or three gather together in His name has allowed myriad of believers to turn their homes, workplaces and school campuses into Ekklesias.

The insights about the Ekklesia being Jesus’ agency to transform the world are no longer mere theological perceptions or hopeful ideas, but instead have become tangible realities. Today there are scores of Ekklesias in businesses, schools, government agencies and health care centers. They are arising in the arts, media and entertainment industries where the power and presence of God are increasingly being made manifest. Furthermore, homes are fast becoming micro expressions of the Church—Ekklesias that are pastoring entire neighborhoods 24/7. In the midst of the fierce spiritual battle going on for control of societies and nations of the earth, we are seeing the Kingdom of God push back the darkness that used to envelope those spheres.

All of this will become evident during the various presentations on the program through case studies of the Ekklesia actively transforming the marketplace. Each session is prayerfully designed to empower you with greater anointing and clearer vision. But the pivotal moment will take place on Saturday evening when we receive a commissioning and anointing from the Lord to turbo-boost Ekklesia Everywhere into a massive grass-roots movement to change the spiritual climate over entire nations.

We are so grateful to the Lord that you are here. We believe this is a strategic rendezvous with God and with His people. Whether you are participating live or via the internet, you will never be the same. Better yet, our cities and nations will never be the same.

This is the hour. This is God’s time for His Ekklesia to arise and shine. You are His Ekklesia and the Gates of Hades shall not prevail against you.

We welcome you in Jesus’ wonderful name!

Ed and Ruth Silvano

WELCOME

FROM KENT & BEVERLY MATTOX

We are so excited to host everyone for the 30th Annual Transform Our World Global Conference at Word Alive International Outreach in Oxford, Alabama this year! What an exciting year 2020 has been! As pastors, we have long believed that it is not nearly as important where one goes to church as where one goes in life. During the Covid-19 pandemic we have seen an incredible resurgence of evangelism within not only our church and body of believers, but in our entire community! That is exciting, especially during these trying times.

In January, Word Alive International Outreach embarked on an ambitious undertaking to travel to each of the 67 counties in the state of Alabama to proclaim the good news of the Gospel and to shift entire people groups from the church age into the Kingdom age by imparting the revelation of marketplace ministry and the teaching of Ekklesia. Embodied in this understanding is that believers are mobile arks of the covenant, 24 hours a day, seven days a week. Gathering around the table and inviting others into our homes is the best example of staying connected to one another and to our communities.

Currently we are seeing marketplace ministers engaging more than ever in prayer evangelism and making sure that needs are being met in communities, neighborhoods and businesses. We are seeing incredible results as ministry and marketplace are meeting, and not only are individuals being transformed, but cities, our state and, prayerfully, the nations of the world.

All of this is due in large part to the fresh understanding of how to operate as an Ekklesia that we have received from Dr. Ed and Ruth Silviso and the partnership we share with the Transform Our World family. It has revolutionized the way we think, and restructured the way we do church.

That is why it is a very special joy and honor for us to welcome you to this Kairos moment in time in Alabama. We pray that in this local atmosphere of transformation you will be inspired, equipped and empowered!

A ROAD MAP TO TRANSFORMATION

DEAR CONFERENCE DELEGATES:

It has been our privilege during the last 30 years to assist in assembling Conference Programs like the one you are looking at right now. It gives us tremendous satisfaction and joy to realize that the Schedule has literally become a road map that has helped so many get onto the pathway to transformation. We trust it will be that way for you as well.

That joy is turbo-boosted exponentially by the reality that what you are going to experience in the next four days is not a one-off gathering of inspirational speakers, but a living, vibrant and continuous experience in transformation. The message is clear and focused. The presenters are all practitioners who are applying the same core principles in a massive variety of spheres of influence in nations and cultures around the world. The result will be a kaleidoscope of glorious testimony to what God is doing on our Earth that we believe will change your life and family for the better.

We pray His Manifest Presence will accompany you every second you spend with us, and that you will go home with an enriched lifestyle for a lifetime and beyond.

Receive our love and blessing!

Introducing

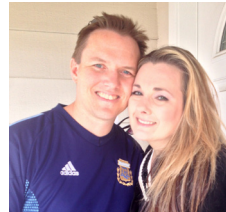

THE FAMILY TRACK

THERE IS NO JR. HOLY SPIRIT!

God is raising up a new generation of world changers and that's what this week is all about. In Biblical times, God used young people like Daniel, Esther, and Joseph to change nations. We believe that God is doing the same thing today, using young people to make a huge difference in the world.

We have developed dynamic content for this year's Family Track that you will access online. Participants will learn how to hear God's voice and how to bring His presence and power into their spheres of influence.

We have already been praying for you and your family and we know that God is going to do amazing things in each of our lives this week.

CORPORATE LEADERSHIP TEAM

SO, WHAT DOES “RIGHT” LOOK LIKE IN A TRANSFORMATION COMPANY?

As Board Chairman, I see a great answer to that question in Ed’s remarkable team at Harvest Evangelism/Transform Our World. They serve all of us with amazing talent and inspiring enthusiasm. They embrace a spirit of unity with the mission, excellence in actions, and personal humility. I am proud of them and impressed with their results.

The years of working with Ed and his band of unique servant-leaders have made me a better leader too, and more importantly, a better husband, father and person.

The people of Harvest Evangelism/Transform Our World give us a great example of what a Transformation Company looks like and lives like.

T.O.W. GLOBAL LEADERSHIP TEAM

The Transform Our World Network (TOW Net) is a strategic alliance of pulpit and marketplace ministers that operates within the Banks of the River (Prayer Evangelism and the Five Pivotal Paradigms) under the Global Leadership Team.

This is the group that provides exemplary and cohesive leadership to the movement worldwide.

Francis Oda
TOW Global
Chairman

PHILOSOPHICAL & OPERATIONAL DNA

Transformation principles come from the Bible and as such they are universal and trans-cultural as far as their philosophical DNA. However, in regards to Operational DNA, to implement them we operate within what we call the “Two Banks of the River.”

One bank is a lifestyle of Prayer Evangelism a la Luke 10, and the other consists of the Five Pivotal Paradigms. Both banks are presented and explained in Ed Silvano’s books *Prayer Evangelism* and *Transformation* and constitute the “backbone” to which platform presentations are connected, either by direct teaching, by illustration, or by intentional reference.

THE BANKS OF THE RIVER

The “Two Banks” reflect Harvest Evangelism/TOW’s Operational DNA, and the imagery of two riverbanks is intentionally used to acknowledge and affirm that there are other expressions of transformation besides the one entrusted to us while defining a scenario where every stream within our TOW Network can converge to conform a river that brings healing to cities and nations.

To illustrate, consider a comparison between two good things - a swamp and a river. Both hold water that brings life to flora and fauna in their respective habitats. However, in the case of the swamp,

the water is confined to its contour, and the potential to provide nourishment is limited to those that come to it.

But if, in addition to connecting it to a higher source, banks were added to the swamp, they would channel that same water to break through the contour, find the incline of the terrain to become first a stream, then a creek, and eventually a river that exports life to destinations far beyond the contours of its original habitat.

**WE KNOW IT WILL TAKE
THE WHOLE CHURCH TO
PRESENT THE WHOLE
GOSPEL OF THE KINGDOM
TO THE WHOLE WORLD.**

At the same time, the models entrusted to us show that working cohesively with a focused operational DNA is the key to producing sustainable transformation. The “Banks of the River” allow us to be cohesive without becoming exclusive.

For these reasons, Harvest Evangelism and TOW are wholly dedicated to serving the Body of Christ by building models developed within the “Banks of the River” (Five Pivotal Paradigms and Prayer Evangelism a la Luke 10) until that river flows and “...the whole earth is filled with the glory of God.”

INFRASTRUCTURE TO SERVE THE VISION

HARVEST EVANGELISM

Harvest Evangelism is the flagship organization that has pioneered alpha transformation projects since its inception in 1980. Today, Ed Silviso and a team of Associates on every continent are implementing the biblical principles for city and nation transformation and developing prayer evangelism-based prototypes to help the Body of Christ to effectively fulfill the Great Commission.

TRANSFORM OUR WORLD NETWORK (TOW)

The TOW Network is a strategic alliance of pulpit and marketplace leaders who have come together within the “Banks of the River” to see cities transformed and nations discipled. Cohesive and focused leadership is the key to every transformation model like the ones presented from the platform. TOW is the “jersey” that identifies us and our contribution to fulfill the Great Commission. Information about what it means to be affiliated with TOW and an invitation to join this “family” of world changers will be extended to you during the Conference.

TRANSFORMOURWORLD.ORG

TransformOurWorld.org is the online gathering place for people from every walk of life all around the world – ordinary people doing extraordinary deeds to make the world a better place (Acts 19:11). It is home to the foundational Mentoring Library, as well as the powerful Adopt Your Street tool that has engaged tens of thousands around prayer initiatives covering more than 10,000 streets with prayer evangelism globally.

GLOBAL PRAYER PRESBYTERY

The Global Prayer Presbytery is comprised of select leaders to provide a global strategic level intercessory prayer covering for the people and projects all over the world.

EXPANDING TRANSFORMATION INITIATIVES

All of the equipping initiatives highlighted in previous conferences continue to grow and expand in their reach and impact. They will again take center stage as the “vertebrae” of our Transformation Continuum – your step by step road map to deeper and wider transformation for you, your family and your sphere of influence.

PARTNERING WITH US

During this week you will witness testimonies that go against the prevailing doom and gloom outlook that God's people are fighting a losing battle, that COVID lockdowns are the death knell of an already diminishing Church, and that our only hope is to be raptured away from a world assigned for destruction.

To counter this hopeless perspective, you will hear from fellow servants who understand that we are destined to see what Daniel the prophet recorded: *"a stone, not cut from human hands, struck the feet of the image of iron and clay [Babylonian world empires and systems] and crushed them... and the stone that struck the image became a great mountain and filled the whole earth"* (Daniel 2:34-35).

Imagine Christendom coming into alignment with this vision and looking at each new global cataclysm or trial not as the enemy winning, but as the Lord providing opportunities for His Ekklesia to arise with the answers, solutions and miracles that fill the Earth with His mountain, which looks a lot like these real-life examples to be highlighted during the conference:

- Doctors and health professionals receiving Divine illumination for never-seen-before treatments that are changing healthcare.
- Transformation of political parties and processes.
- Local Ekklesias ministering in multi-racial neighborhoods and defusing dangerous situations through the power of blessing.
- Changing of economic activities from immoral to righteous in countries long tainted by human trafficking.
- Government reaching out to Ekklesia leaders to restore family life in their cities.

- Arts and media being transformed to tell God's story with creative power.
- Families turning their homes into Ekklesias that minister to entire neighborhoods.

This is the kind of change the world is groaning for and now we seek your help to multiply it.

During the evening sessions, there will be opportunities for you to help subscribe Transform Our World's 2021 budget through generous partnership via one-time and ongoing giving so that even more priceless and eternal changes will happen.

Your generosity will enable us to train up more and more people through powerful vehicles like the upcoming Level 2 of the *Ekklesia Excelsior* so that we can be the generation that sees God's mountain fill the entire Earth.

It can be done, and we humbly seek your partnership in bringing it about so that the presence and power of God will be felt all over the world!

YOUR STRATEGIC PATH (CONT.)

KEYS & METRICS

Keys to **grow** a sustainable transformation movement

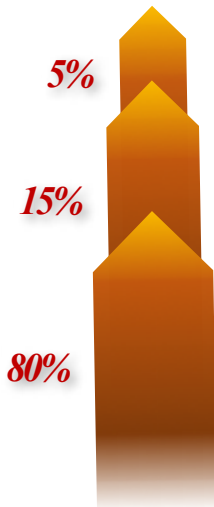

Cohesiveness vs. Inclusiveness

Cohesiveness around the principles and the final objective is key to having an effective Core Team for Transformation for the long haul. A core group that is totally cohesive will at first score 100 percent on the vertical axis, but the farther it moves toward inclusiveness, the less cohesive it will become...because you will be asked, or be tempted, to make compromises that will *diffuse your focus on the strategic objectives* in order to secure people's participation.

Remember, **the driver for transformation is not Unity but Purpose.** Unity is a *means* to a higher end, which is transforming cities and discipling nations. *(Ekklesia, Ch. 17)*

The 5—15—80 Principle

The 5-15-80 Principle helps **resolve the tension between inclusiveness and cohesiveness** because it outlines the different ways people respond to challenges.

VISIONARIES 5 percent of the people are *Visionaries*. As soon as they hear the transformation principles they are immediately on board, because by faith they have already seen the process taking place.

IMPLEMENTERS The next 15 percent are *Implementers*. When they hear the visionaries describe the transformation principles, they are ready to make it happen.

MAINTAINERS The remaining 80 percent are *Maintainers*. They need to see transformation happening in order to embrace it. But they are the ones who, by taking care of what is already in place, keep the wheels of ministry turning day in and day out. *(See Ekklesia, Chapter 17 for more insight)*

7 Steps to **build** cohesiveness

Sharing the same vision, paradigms and language is key to transformational leadership. Start building your Cohesive Core Group, by taking **TSOT** and then moving through the sequence on **Your Strategic Path** (previous page) in the following progression:

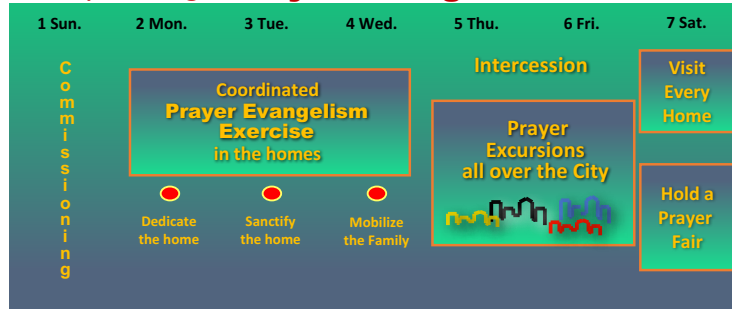

1. You and your Core Group colleagues **individually** enter the process
2. Then each one leads his or her respective **family** in the same
3. Next, all of you engage your **primary leaders** and associates
4. All of them subsequently lead their **families** in the same process
5. Now go to the rest of your **staff, workers and co-workers** to join you
6. Guide them to engage **their families** into the process
7. By this time, you will have a solid leadership group to engage **everyone else** in the process.

YOUR STRATEGIC PATH (CONT.)

STRATEGIC DEPLOYMENT

Now that you have a Cohesive Core Group, the 7-Day Strategic Prayer Evangelism Exercise is a most effective first step to change the spiritual climate the city and to engage interested observers (the 80%) Executed well and repeated periodically, it will help you build a secure base of operation for on-going activity into the future.

7-Day Strategic Prayer Evangelism Exercise

There are five catalytic groups, each of which has a general sphere of influence in your city. Engage and equip them using **Your Strategic Path**, then deploy them to “fill up” the entire city with the power and presence of the Lord through Prayer Evangelism *daily*, as a personal lifestyle; *weekly*, with others; *monthly* through a simply-organized “Caravan of Blessing” to meet felt need; and *periodic* proclamation events in the city.

Continuous Deployment

Establishing continual presence and influence

When can it be said a city is being reached?

1. When every “sheep” has a “shepherd”
Every street is being prayed for. (Luke 10:5)
2. When every “sheep” knows who his “shepherd” is
Personal contact is made. (Luke 10:7)
3. When the spiritual climate begins to change
Prayers are being answered. (Luke 10:9)
4. When the kingdom of God is in full evidence
Righteousness, joy and peace are prevailing. (Luke 10:9)

To state it simply, **Speak peace to every house, and follow the trail, because there IS one.** Let the peace process work for you, it will do a very good job, and soon you will find a flow of influence for transformation growing from house to house, to your congregation, into the city, and finally for the city.

STEP 1 - TRANSFORMATION AND YOU

Steps to becoming a Transformational Person

The transformation of anything around you begins with you - with being transformed by the renewing of your mind to see by faith what you have not yet seen so that you can do by faith what you have not yet done. Transformation is not a methodology; it is a passionate response from the heart to the world you live in.

	1. Accept and enthrone Jesus as your Savior and Lord.	<i>Pray this prayer: Lord Jesus, I declare with my mouth that you are Lord, and I believe in my heart that God raised you from the dead. 	2. Receive and be filled with the Holy Spirit	<i>Pray this prayer: Father God, I pray that out of Your glorious riches You may strengthen me with power through Your Spirit in my inner being. Holy Spirit, I honor and receive you into my life and declare that in You I live, and move, and have my being to empower me to be your witness from my city to the ends of the earth.</i>	
	My Progress		
	3. Accept by faith your God-given calling to “disciple the nations.”	<i>Pray this prayer: Lord Jesus, I accept Your call upon my life to “disciple the nations.” Even though I do not know how, I declare that this is my finish line. I choose to partner with You by walking in Your authority in the company of Your presence for the rest of my life.</i>	
	My Progress		
	4. Deal with any strongholds that you may have in your personal life.	<i>Use the guide from Prayer Evangelism p.156 to dedicate, cleanse and activate your life, your household and your home as an Ekklesia of the Lord, an embassy of Heaven on earth.</i>	
	My Progress		
	5. Make “Prayer Evangelism” your lifestyle every day, everywhere.	Meditate on Luke 10:1-9;17-22 and 1 Timothy 2:1-8 on a daily basis for 40 days. Make it a habit to speak peace before walking through a door so that the “house” that is behind the door will know God’s peace.

STEP 2 - TRANSFORMATION IN YOUR FAMILY & HOME

How to turn your home into a Transformational Ekklesia

“The teachings throughout the New Testament reveal an indivisible relationship between the family and the Ekklesia. The New Testament Greek word oikos describes not only the dwelling place for the family, but also the ‘household’ of relationships and influence that the family has. Just as Jesus co-opted the secular word ekklesia and infused it with His DNA, so He also took the secular oikos and elevated it as the foundation of His Ekklesia.” Ekklesia, p. 139

	2. Dedicate your home to be an Ekklesia for the Lord, an embassy of heaven on earth. Psalm 127:1	<i>Turn Psalm 127 into a prayer of dedication. Anoint every doorpost of your home—every gateway in and out, including phones, computers and television screens.</i>

	3. Sanctify your home to be holy unto the Lord. Psalm 127:1	<i>Ask the question, what things would I not want Jesus to see in my house and in my life should He appear at the front door? Have a garbage can ready! Let the Spirit of holiness invade your home.</i>	
	My Progress		
	4. Prayer walk your block, speaking peace and blessing over every home. Luke 10:5-9	<i>Pray this prayer: Lord, I speak peace to my neighbors, (insert name), and to their home. I ask you to bless and prosper them, and meet them in any need they have.</i>	
	My Progress		
	5. Make prayer evangelism a constant daily exercise for your family in every one of your spheres of influence. Luke 10:5-9	<i>Now that your home is a house of peace, begin to “speak peace to every house that you enter” and follow the trail as God opens doors before you. Let Blessing lead you to Fellowship, then to Minister to felt needs, then to Proclaim, “The kingdom of God has come here.”</i>

STEP 3 - TRANSFORMING YOUR SPHERE OF INFLUENCE

Taking the kingdom to people and environments around you

“The Law and the Prophets can be summarized in one phrase: ‘He will come.’ The Gospel of the Kingdom is expressed in this: ‘He is here!’ Once the message of the Gospel of the Kingdom is rediscovered, institutions, corporations, cities and even nations are able to experience transformation through the Ekklesia’s proclamation of the Gospel of the Kingdom in the public square.” - Ekklesia, p. 41

STEP 5 - TRANSFORMING YOUR CITY

Steps to initiating a city-wide transformation effort

A PROPHETIC ACT BEFORE YOU BEGIN : Go to a high place over your city with your “household” to declare your city to be God’s City. Pray this prayer: [My City], today I declare you are no longer an orphan. You have been created by your Father in heaven and you have been adopted by my family and me. I say to you, [My City], I bless you. [My City], arise, lift up your head, open your gates, let the King of Glory come in to you to restore you, heal you, prosper you and transform you! Yes, Lord Jesus, I welcome you to my city!
