# PREPARING FOR THE COMING DAY OF THE LORD

Over the past 60 years God has entrusted Transform Our World with some of the most cutting edge and revolutionary insights into the Word of God that have transformed homes, disciplined economies and brought forth the first fruits of what it looks like to fulfill the Great Commission. We have been humbled and greatly honored by the Lord to be used by Him to advance the message of the Ekklesia and the baptism of cities and nations.

The revelation of the Manifest Presence of Jesus has given us hope and spiritual stability to stay the course and make astounding progress in these turbulent days when the powers of darkness in the heavenly realm and governing institutions on earth are aligning to gain dominion over the affairs of men.

## ...But God!

By His mercies, today we stand stronger in the Lord and in the strength of His might, believing that a Day of the Lord is about to be unleashed that will release the largest wave of new believers the world has ever seen!

That is why the emphasis on living and abiding in the Manifest Presence of Jesus will remain our dominant, energizing theme. It is why the strategic insights on the Ekklesia must be taken to a new level that we will call **Ekklesia: Everyone. Everyday. Everywhere**. It is why the **Ekklesia Excelsior** which is being used so powerfully by the Lord to equip the saints must be expanded. It is why **Tekklesia: a nation in cyberspace** is being built as part of our transformation arsenal. Through all of this, God is empowering us to build a global community of transformers to become a movement of movements for the Day of the Lord hovering on the horizon.

Take a moment now to welcome the Manifest Presence of Jesus to preside over us. Prepare your heart for the outpouring that will refresh, envision, and catapult us into the next season of unprecedented acceleration.

*Dear Jesus, we humble ourselves and worship you as our King! We lay our crowns before your feet and declare you worthy! We invite you to lead us, guide and reveal to us the beauty of who you are and your plans for us. We yield to you and ask for a fresh baptism of the Holy Spirit to be empowered to take Your Words and put them into action.*

## OVERVIEW

We will welcome the Manifest Presence of Jesus to preside over everyone and every session. The program for the Summit will center on PREPARING FOR THE COMING DAY OF THE LORD.

Each of the three days will have its particular focus highlighting how several of our transformation prototypes are modeling that focus:

**Wednesday:** FOCUS on the Right Finish Line – Discipling the Nations & Building a New One

**Thursday:** LEADERSHIP for Getting There – Operating in the Apostolic

**Friday:** DISTINCTIVES of the Coming Harvest – Defining what we are looking for

## PROGRAM

The Summit will begin at 4:00 PM on Wednesday in the Donner and Siskiyou Ballrooms (#1 on the site map) and conclude on Friday at 12:00 PM before lunch. All meals are included except for Thursday Dinner when we have planned an extended time for you to enjoy fellowship in the Spirit on your own with other Summit delegates of your choice.

## REFLECTION & APPLICATION

We've provided a Reflection and Application section in the Program to help you process in real time what God is speaking to you about incorporating these insights and revelations into your everyday life! We suggest you print out the syllabus and take notes as we go through the various sessions.

## IN CONCLUSION

All that is happening around us is an indicator that we are on the threshold of a new "Day of the Lord." We are watching the fulfillment of Hebrews 12:25. Everything is being shaken. Only that which is unshakeable will remain. We have come together to yield ourselves to the Manifest Presence of Jesus so that He can take the reins of our lives and use us to edify His Church and build His Kingdom where the gates of Hades are because the fields are white unto harvest!

## Yes, the BEST is still ahead!

With great anticipation,

**We welcome you in Jesus' wonderful name!**
